

Together is an alliance of Scottish children's charities that works to improve the awareness, understanding and implementation of the United Nations Convention on the Rights of the Child (UNCRC).

WE DO THIS BY:

- promoting the UN Convention on the Rights of the Child
- helping children's organisations to integrate the UNCRC into their work
- monitoring and reporting on the progress made at a Scottish & UK level

Our growing membership is made up of a range of children's charities, from small local playgroups through to large international charities, alongside individuals, academics and professionals with an interest in children's rights.

TOGETHER (SCOTTISH ALLIANCE FOR CHILDREN'S RIGHTS) STRATEGIC PLAN 2019-24

VISION

All children and young people growing up in Scotland have their human rights respected, protected and fulfilled.

MISSION

We work to inspire and enable everyone in Scotland to put children and young people's human rights at the heart of everything they do.

VALUES

Courageous: We are independent and we challenge when we need to. We always stand up for children's human rights.

Collaborative: We involve, engage and consult our members, children and young people and the government. We are representative, open and transparent in all we do.

Constructive: We do things in a respectful way. We support our staff, interns and children and young people to reach their potential.

Inclusive: We enable everyone to participate equally, especially children and young people.

OUR STRATEGIC AIMS

During the next five years (2019-2024) Together will work to ensure:

1. Law in Scotland is fully compliant with the UNCRC & other international human rights standards.
2. Law and policy in Scotland is fully implemented in line with the UNCRC & other international human rights standards.
3. Children and young people's voices are listened to, respected and influence the world around them.
4. Scotland is recognised internationally as a pioneer and an innovator in taking forward children and young people's human rights.
5. Our impact and reach continues to grow, and we develop as a sustainably funded organisation.
